

## EITI Company Validation Form

International-level		
COMPANY: STATOILHYDRO	10 October 2007	
Mark indicators below with a ✓	Yes	No
<p>1. Has the company published a clear public statement endorsing the EITI Principles and Criteria, and ensured this is accessible on its external website?</p> <p><b>Comment:</b>  <i>StatoilHydro has endorsed the EITI in its Function Requirement 11 on Corporate Social Responsibility, which is a mandatory part of the company management system, and public endorsement is provided on our Society and Environment website under "Transparency":</i>  <a href="http://www.statoilhydro.com/en/EnvironmentSociety/Society/Pages/TransparencyAndAnti-Corruption.aspx">http://www.statoilhydro.com/en/EnvironmentSociety/Society/Pages/TransparencyAndAnti-Corruption.aspx</a></p>	✓	
<p>2. If applicable (i.e. for operations in EITI implementing countries that have completed at least one validation), has the company provided links on its external website to completed Company Forms?</p> <p><b>Comment:</b>  <i>As per today, no country has completed validation according to validation criteria established by the 27 September 2007 EITI Board Meeting and conference (cf. <a href="http://www.eitransparency.org/content/article/detail/899">http://www.eitransparency.org/content/article/detail/899</a>). StatoilHydro will monitor validation process in relevant host countries and publish Company Forms as per the agreed Company Validation Criteria.</i></p>	N/A	
<p>3. Has the company assigned strategic responsibility for EITI to a member of its senior management and appointed a lead contact person responsible for communication of the company's EITI policy, action in support of EITI, and responding to queries from EITI stakeholders?</p> <p><b>Comment:</b>  <i>Strategic responsibility for StatoilHydro's EITI commitment is assigned to Senior Vice President, Corporate Integrity and Social Responsibility, Anders Kullerud (<a href="mailto:ankul@statoilhydro.com">ankul@statoilhydro.com</a>). Lead contact person is Willy Egset, Head of Social Responsibility (<a href="mailto:weg@statoilhydro.com">weg@statoilhydro.com</a>)</i></p>	✓	
<p>4. If the International EITI Conference has taken place in the validation period, did a member of senior management attend or send a statement of support?</p> <p><b>Comment:</b>  <i>Presidents and CEOs of respectively Statoil and Norsk Hydro, Helge Lund and Eivind Reiten, both gave key note speeches at the 27 September 2007 EITI Oslo Conference (cf. <a href="http://www.eitioslo.no/program/prog.htm">http://www.eitioslo.no/program/prog.htm</a>)</i></p>	✓	

<p>5. Where a company has a global sustainability report or corporate responsibility report, has the company included a summary of its contribution to EITI in this and on its external website?</p> <p><b>Comment:</b> <i>Commitment to EITI is described on page xx of our 2006 Sustainability Report:</i> <a href="http://www.statoilhydro.com/no/EnvironmentSociety/dataandreports/SustainabilityReports/Pages/SustainabilityReport2006.aspx">http://www.statoilhydro.com/no/EnvironmentSociety/dataandreports/SustainabilityReports/Pages/SustainabilityReport2006.aspx</a> (pp. 50-52)</p> <p><i>The report is available online and summary descriptions of our EITI commitments are also published on:</i> <a href="http://www.statoilhydro.com/en/EnvironmentSociety/Society/Pages/TransparencyAndAnti-Corruption.aspx">http://www.statoilhydro.com/en/EnvironmentSociety/Society/Pages/TransparencyAndAnti-Corruption.aspx</a></p>	✓
