Thursday 14 May

14:00  9-1 Welcome and adoption of agenda

14:10  9-2 Board induction

Four core objectives of this agenda item have been identified:
1. To introduce and discuss the roles and responsibilities of Board Members, with a general introduction by legal counsel, who will address relevant legal obligations;
2. To introduce, in particular to new Board Members, the governance practices, rules and voting procedures previously established by the Board;
3. To discuss the terms of reference and responsibilities of the Board Committees; and
4. To make the Chairman, representatives of the Governance Committee and Secretariat available to discuss questions from Board Members about Board Member responsibilities and procedures.

After some brief introductory remarks by Peter Eigen and Julie McDowell, Barry Metzger, Partner Baker and McKenzie LLP New York, has agreed to address us and present good governance practices for multi-stakeholder Boards.

Discussion of the rules and procedures of the EITI Board

Topics to include: Legal role of the Board; decision-making procedures, including voting; Board meetings, including preparations and follow-up; Board committees; funding of Board activities; and review and oversight.
