

## EITI Supporting Financial Institution Form

---

The EITI is grateful for your support and would like to give visibility to your commitment to transparency and improvements in both corporate and public-sector governance. We kindly ask you to provide the information requested below which will be used to create a supporting financial institution webpage on the [EITI website](#).

### Name of financial institution

Please enter the full name of the institution.

### Website

Please enter a link to your website.

### About your institution

Please provide a description of your institution in two or three sentences (e.g. lending or investing, place of headquarters, countries of operation, estimate of assets under management, specific focus on mining, oil and gas, commodity trading, etc.).

### Statement of support

Please provide a statement of support or a quote from the CEO or senior management in two or three sentences that highlights your institution's support for increased transparency and improved governance in the extractives sector through the EITI or more broadly.

## Additional information

Please briefly provide information on your institution's good practices/policies on anti-corruption and transparency as well as any information on projects undertaken with the EITI and/or contributions to EITI national processes in [EITI country\(ies\)](#).

## Logo

Please provide a link to your institution's logo or attach the logo when returning this form (in vector format or in high resolution, 300ppi).

## Contact

Please enter the name and email of the lead contact from the institution for EITI engagement. This will not be provided on your EITI webpage unless you instruct otherwise.

Please return this form to Sandra Rojas, Corporate Engagement and Communications Intern ([srojas@eiti.org](mailto:srojas@eiti.org)) or Andrew Irvine, Legal and Corporate Engagement Director ([airvine@eiti.org](mailto:airvine@eiti.org)). If you have questions concerning the above, do not hesitate to contact us. Upon request, the EITI can provide a draft webpage for review prior to publication.
