NOMINATION OF A REPRESENTATIVE TO THE MULTI-STAKEHOLDER GROUP FOR THE IMPLEMENTATION OF THE EX Extrusive Industries Transparency Initiative

On 28th January 2019, Cabinet approved Uganda to join the Extractive Industries Transparency Initiative (EITI).

The EITI is a global standard that was introduced to promote open and accountable management of oil, gas and mineral resources. It provides an avenue for companies, Governments and other agencies and entities engaged in extractive industries to comprehensively report on payments and revenues from the sector on a regular basis.

One of the requirements to join EITI is the establishment a multi-stakeholder group comprised of representatives from Government, oil, gas and mining companies and civil society. The role of the multi-stakeholder group is to oversee EITI implementation in the country.

Therefore, the purpose of this letter is to request you to nominate a senior officer to represent your organization on the multi-stakeholder group. You are requested to submit your nominations by 15th February, 2019.
