Operating in these EITI implementing countries:
Please check the EITI country list at: http://eiti.org/countries

Codelco operates in Chile, which is not an EITI implementing country.

Participation and support to EITI implementing countries
Please answer the below questions.

Has your company provided data in all the EITI implementing countries when asked?

Codelco does not have operations in EITI implementing countries. Codelco provides all reporting information required by national regulations regarding transparency of revenues.
In which EITI countries is your company part of the multi-stakeholder group?

What kind of support and/or contribution does your company provide to the national EITI process?

International engagement with EITI:
Please describe what your company is doing or planning to do internationally to support the EITI? E.g. member of the international EITI Board, hosting international events, secondments

Codelco engages with EITI through the ICMM and supporting conversations related to the incorporation of Chile as an EITI implementing country.

Financial contribution to the international EITI:
Please disclose how much your company has contributed to the EITI during the last year. Please note that ICMM members contribute through ICMM and should simply write “Company X is a member of ICMM. ICMM makes a contribution to the international EITI on behalf of all of its members”.

Codelco is a member of ICMM. ICMM makes a contribution to the international EITI on behalf of all of its members.

Other relevant information:
For example, information about whether your company discloses payments to governments on your company website (please provide link)

Codelco, as a state owned company discloses all payments to the Chilean government. These can be found on our financial reports, which can be accessed at the following link (https://www.codelco.com/estados-financieros-y-memorias/prontus_codelco/2016-09-27/124501.html)
