Participation and support to EITI implementing countries
Please answer the below questions.

Has your company provided data in all the EITI implementing countries when asked?

Data has been provided upon request. In current EITI member countries where Hess is invested operations will be maintained by Hess’s Joint Venture partners. Our Joint Ventures operations in Guyana and Suriname remain in the exploration phase–there is currently no extraction or production of oil and/or gas in either country.
In which EITI countries is your company part of the multi-stakeholder group?

None.

What kind of support and/or contribution does your company provide to the national EITI process?

We are supportive of offering the governments of Guyana and Suriname assistance and/or counsel on EITI processes, good governance and best practices. Hess pays $60K in annual dues for its membership to the international EITI.

International engagement with EITI:

Please describe what your company is doing or planning to do internationally to support the EITI? E.g. member of the international EITI Board, hosting international events, secondments

Hess has both offered and provided consultation services regarding EITI to countries where we have conducted business operations in the past, such as Equatorial Guinea.

Financial contribution to the international EITI:

Please disclose how much your company has contributed to the EITI during the last year. Please note that ICMM members contribute through ICMM and should simply write “Company X is a member of ICMM. ICMM makes a contribution to the international EITI on behalf of all of its members”.

Hess provides the international EITI with $60K per year in membership dues.
