Congo, Ghana, Iraq, Indonesia, Nigeria, Mozambique, Kazakhstan, Timor Leste, Norge, Myanmar, Mexico, Ukraine, UK

Participation and support to EITI implementing countries
Please answer the below questions.

Has your company provided data in all the EITI implementing countries when asked?

Yes
In which EITI countries is your company part of the multi-stakeholder group?

Congo, Ghana, Mozambique, Timor Leste, Ukraine and UK. In Nigeria, Kazakhstan and Norway Eni follows the work of their respective Multi Stakeholder Groups by participating in local category associations.

What kind of support and/or contribution does your company provide to the national EITI process?

Eni plays an active role in supporting the EITI in the country, by promoting the discussion around transparency, contributing to the preparation of reports and by attending the sessions of the local multi-stakeholder group.

International engagement with EITI:
Please describe what your company is doing or planning to do internationally to support the EITI? E.g. member of the international EITI Board, hosting international events, secondments

Financial contribution to the international EITI:
Please disclose how much your company has contributed to the EITI during the last year. Please note that ICMM members contribute through ICMM and should simply write "Company X is a member of ICMM. ICMM makes a contribution to the international EITI on behalf of all of its members".

Eni contributed USD 60,000 in 2018.

Other relevant information:
For example, information about whether your company discloses payments to governments on your company website (please provide link)

Eni has started its voluntary disclosure of payments made to governments in 2014. In 2017, in compliance with the entry into force in Italy of the European Directive 2013/34, Eni started to publish data on payments made annually to Governments in a special document (Report on Payments to Governments 2017)
