Participation and support to EITI implementing countries
Please answer the below questions.

Has your company provided data in all the EITI implementing countries when asked?

We have not provided any data as the information has not been requested.

In which EITI countries is your company part of the multi-stakeholder group?
As we are in the early stages of our international operations, Qatar Petroleum has not been invited to participate on any of the multi-stakeholder groups. We would welcome the opportunity to participate in such groups.

What kind of support and/or contribution does your company provide to the national EITI process?

Qatar Petroleum will work to encourage the State of Qatar to become a signatory to the EITI.

International engagement with EITI:
Please describe what your company is doing or planning to do internationally to support the EITI? E.g. member of the International EITI Board, hosting international events, secondments.

We would welcome the opportunity to serve as a member of the International EITI Board and to serve as a host for any future EITI sponsored conferences or events.

Financial contribution to the international EITI:
Please disclose how much your company has contributed to the EITI during the last year. Please note that ICMM members contribute through ICMM and should simply write “Company X is a member of ICMM. ICMM makes a contribution to the International EITI on behalf of all of its members”.

We will contribute to the EITI the amount of USD $60,000.

Other relevant information:
For example, information about whether your company discloses payments to governments on your company website (please provide link).

Qatar Petroleum is working towards the adoption of CBCR and will endeavour to update its public website accordingly.
