# The road to Dakar 2023...

- London 2003 and 2005
- Oslo 2006: Making transparency a global norm
- Doha 2009: Establishing resource transparency
- Paris 2011; Transparency counts
- Sydney 2013: Beyond transparency
- Lima 2016: From reports to results
- Paris 2019: Open data, build trust

# Key touchpoints for National Coordinators

- Head of State/Ministerial invitations, national delegations
- Showcase progress on implementation: National exhibition and pitch corner
- Session speakers/bilaterals – briefing and preparation
- Stakeholder Forum – working on commitments
- Peer learning and exchange – moving forward with implementation

# Opportunities for EITI: six strategic priorities

1. Supporting the energy transition

2. Addressing corruption risks

3. Strengthening domestic revenue mobilisation

4. Publishing open data

5. Informing ESG decisions

6. Measuring impact
