If you are from one of these countries, it is recommended that you contact your nearest Senegalese embassy/consulate to request a visa on arrival. This process will be easy and quick. It would be useful if you bring the invitation letter that you have already received. The International Secretariat can provide an invitation letter upon request, contact conference-team@eiti.org.

If you are from one of those countries and you are not able to contact a Senegalese embassy/consulate, the EITI International Secretariat can request a visa on arrival on your behalf. You would not need to start any visa-related procedure ahead of your travel to Dakar. Please contact conference-team@eiti.org before Friday 2 June.
