EITI Candidature Application of The Netherlands

Dear Fredrik,

It is a great pleasure for me to present - on behalf of the EITI Multi Stakeholder Group of the Netherlands – the EITI Candidature Application of The Netherlands.

Please find enclosed the completed format including the corresponding documents.

In case of additional questions, please contact the incoming national coordinator of EITI in the Netherlands, Mrs. Geesje van Niejenhuis.

I look forward to the next EITI board meeting in Berlin in June and I hope The Netherlands will receive the status of EITI implementing country.

Best regards,

Prof.dr. Dirk-Jan Koch,
